Student expressly acknowledges and agrees that the accommodations and services that are the subject of this Agreement involve a distinct type of residential property and/or residential circumstances because the accommodations are owned and operated by an institution of higher education.

**DOB:** 12/15/1999

**Phone:** +18583463979

**Additional Occupants(s):**

**Mailing Address**

3869 Miramar Street

La Jolla, CA 92092

2. **TERM:** The term of this Agreement begins on 4/1/2024 and ends on 7/27/2025 (“Term”). Student is financially liable for the entire Term of this Agreement unless officially released by the University in writing. Student acknowledges that University has made no commitments about future housing beyond this Agreement.
3. **ELIGIBILITY:** Student must be, and remain, a current UC San Diego student. If Student is a graduate or professional school student at UC San Diego, and to reside in any University housing accommodations, including the Space, Student must: (a) maintain full-time status by being enrolled at UC San Diego in at least twelve units each academic quarter (with the exception of their final academic quarter at UC San Diego, when they may be enrolled part-time), or (b) be on a University approved leave of absence. If Student is an undergraduate student at UC San Diego, to reside in the Space, Student must: (a) be in a committed relationship and/or have children under the age of 18 who are residing with them, and (b) maintain full-time status by being enrolled at UC San Diego in at least twelve units each academic quarter (with the exception of their final academic quarter at UC San Diego, when they may be enrolled part-time). Individuals are not eligible if they are working towards a second Bachelor’s degree, a second Master’s degree, a post-doctorate degree, and/or are enrolled in UC San Diego Extension or other limited status programs. Failure, at any point, to meet the eligibility requirements set forth in this paragraph is grounds for forfeiture of this Agreement, but does not act as a waiver of any sums due under this Agreement. Any changes in eligibility status, including but not limited to, marriage, divorce, legal separation, loss of child custody, or birth/adoption of children must be reported, by Student, in writing to the University within 30 calendar days. Student’s eligibility for University housing may be affected by status changes and/or failure to notify the University of these status changes. Student’s partner or spouse is eligible to reside in the Space, with Student, upon submitting the required documentation to University’s HDH Housing Administration as determined in University’s sole discretion. If Student’s partner or spouse plans to reside away from the Space for more than one quarter, then Student must find an eligible roommate during the spouse’s or partner’s absence. Student must not have any previous or current year outstanding delinquent housing balance. Failure to meet the eligibility requirement is grounds for forfeiture of this Contract but does not create a waiver of any sums due under this Contract.
4. **CHARGES:**
  - a. Student shall pay the University the monthly sum of \$1005.00 (“Monthly Charges”) (effective 4/1/2024) and monthly thereafter.
  - b. The University may raise or lower the Monthly Charges, unless prohibited by law. Notwithstanding any other provision the University shall have the right to raise or lower the Monthly Charges upon thirty (30) days prior written notice.

- c. Payments of Monthly Charges are due on the first day of each month without demand or billing at the University of California, San Diego Central Cashier's Office, Mail Code 0009, 9500 Gilman Drive, La Jolla, California 92093-0009, phone number (858) 534-3725. Payments will be applied to the Student's oldest housing charges first. Checks are to be made payable to "UC REGENTS".
- d. Student understands and agrees that if Student has any outstanding delinquent Monthly Charges, such unpaid balances may result in University holds that restrict access to future goods and services, including a hold that prevents Student from registering for University classes. Student also understands and agrees that such University holds are in addition to any other rights or remedies that may be available to University, whether by contract, by policy, and/or by law.
- e. For periods of occupancy within any calendar month, but less than the complete calendar month, the charges for that month shall be 1/30th of the total Monthly Charges for each individual day of occupancy.
- f. Student agrees to pay a \$25 fee when an employee of the UC San Diego Police Department provides lock out service. This includes, but is not limited to, Police Officers, Resident Security Officers, and Community Service Officers.

**5. CANCELLATION (Prior to the Agreement start date):** If Student wishes to cancel this Agreement prior to their start date, a cancellation notice must be sent to Graduate and Family Housing by email prior to the Agreement start date. Such a cancellation will be effective upon receipt of the notice.

**6. TERMINATION (After move-in date):**

- a. Termination by Student: The University hereby agrees that Student may terminate this Agreement upon written notice submitted to the Housing Office at least thirty (30) days before the move-out date. Student(s) is responsible for all Monthly Charges and/or any outstanding charges owed, during the thirty days before the move-out date, or until such time as the Apartment is occupied by a new student, whichever comes first.
- b. Termination by University: Student hereby agrees that the University reserves the right, without cause, to terminate this Agreement upon thirty (30) days written notice for any Student who has resided in the University accommodations for less than one year, or upon sixty (60) days written notice for any Student who has resided in the University accommodations for one year or more. The University may also terminate this Agreement if:
  - i. Student ceases to be currently enrolled as a result of graduation, transfer, withdrawal, academic disqualification, suspension, dismissal, and/or is otherwise ineligible for the University accommodations that are the subject of this Agreement (including failing to meet the eligibility criteria contained in paragraph 3 of this Agreement);
  - ii. Student fails to comply with this Agreement, University's Policy on Student Conduct and Discipline, and/or other University Policies/Regulations;
  - iii. Student fails to pay the Monthly Charges and/or any other charges as required by this Agreement;
  - iv. Student fails to comply with any applicable state and/or federal law; and/or
  - v. An emergency situation warrants termination of this Agreement; non-force majeure emergency situations, as determined in University's sole discretion, may include: damage to or destruction of University buildings, events that threaten the health and/or safety of students, employees, and/or the campus community, compliance with state or local health orders, and/or other exigent circumstances.

To terminate Student's right to occupy these University housing accommodations before the expiration of the Term, University may either:

- i. Provide Student with a notice ("Termination Notice") of Student's right to be heard before a campus hearing officer or board; this hearing is hereinafter referred to as the "Housing Termination Hearing." The Termination Notice must include: (1) the ground(s) upon which the termination is sought, and (2) the date, time, and location of the Housing Termination Hearing. The Termination Notice shall be sent to Student's official university email address at least 10 calendar days before the Housing Termination Hearing. At the Housing Termination Hearing, University shall bear the burden of proof, based upon a preponderance of the evidence standard, that termination by the University is permitted. At the Housing Termination Hearing, Student shall have the opportunity to present documents and witnesses and to confront and cross-examine witnesses presented by the University.

If, following the completion of the Housing Termination Hearing and appeal process (if any), it is determined that this Agreement is terminated, Student acknowledges and agrees that: (1) Student will vacate University

- housing no later than five (5) calendar days following the final administrative decision of termination (at which point University may change the locks on the room/unit/space and remove any and all of Student's personal effects remaining in the room/unit/space), (2) Student remains liable for any and all Charges through the date of termination and/or the date Student actually vacates University housing (whichever is later), (3) any of Student's personal property remaining in University housing after 5 calendar days following the final administrative decision of termination shall be treated as unclaimed property in accordance with PPM 460-2; or
- ii. Terminate the Student's right to occupy University housing accommodations as otherwise permitted by law.

**7. OCCUPANCY:**

- a. The University will assign Student to a specific bedroom within the Space and the University reserves the sole right during the term of this Agreement to reassign Student to another bedroom and/or space. Student agrees to occupy the assigned Space, including the assigned bedroom.
- b. If Student is interested in adding an additional occupant to the Space, Student must first submit an [application](#) for University's review and consideration. Additional occupants must also meet the eligibility requirements contained in Paragraph 3 of this Agreement. Additional occupants are not permitted unless and until approved, in writing, by University. Even if University approves an additional occupant, Student remains wholly responsible for all requirements set forth in this Agreement, including the Monthly Charges. Student must immediately notify the University by email to the Graduate and Family Housing Office if a previously approved additional occupant vacates the Space.
- c. The University reserves the right to assign Student(s) to maximize the use of all spaces.
- d. Student cannot assign or transfer this Agreement nor sublet the Space. The Space may not be used for conducting business or commercial enterprises, without prior written permission from the University.
- e. Except as provided elsewhere in this Agreement, no other person or persons may occupy the Space for more than two weeks without the prior written consent of the University.
- f. Housing Dining Hospitality is an inclusive organization for all members of UC San Diego's community, including our transgender, non-binary, genderqueer, gender non-conforming and intersex students, staff, and faculty. Because many believe that areas like housing are only for men and women, we strive to ensure all genders, gender identities and gender expressions are included in our housing, dining and hospitality efforts.

**8. CONDITION OF SPACE, CLEANING, AND DAMAGE:** Student will inspect the Space and verify that the Space is in good repair and in clean and sanitary condition pursuant to the standard set forth in Section 1941.1 of the California Civil Code. Student, and not the University, is responsible for cleaning and maintaining appropriate hygiene in Student's Space. Student shall complete and submit to the Housing Office the Move-In and Move-Out Inspection Checklist/Room Inventory Form within two week of taking occupancy of their assigned Space. Failure to complete and return the Move-In and Move-Out Inspection Checklist/Room Inventory Form within the specified time shall be construed as acceptance by Student of the Space and inventory. Defects and damages found after Student vacates Space, not reported at time of possession of Space as noted on the Move-In and Move-Out Inspection Checklist/Room Inventory Form shall be the sole expense of the Student.

In the event damages occur during the Student's occupancy and it is determined that the damages are caused by Student, charges will be assessed to the Student's University account. Charges shall be determined by University at its sole discretion, and payment for such charges shall be made by Student and is due upon receipt of the notice. Student agrees, as part of a consideration of this Agreement, to maintain the Space, all fixtures, accessories and appliances belonging thereto, in a good, clean, sanitary and safe condition throughout the term of this Agreement, and upon vacating the Space, to return the Space to the University in the same condition of repair and cleanliness including walls and carpet as when received, exclusive of reasonable wear and tear.

Student will be liable for any repairs necessary during or after occupancy to restore Space to the original condition, including but not limited to costs to clean, repair, replace or rebuild any portion of the Space, furniture and fixtures damaged by the Student, Student's guest or invitee and all costs incurred in connection therewith shall constitute additional charges due and owing from Student on demand. In the event the cause of any loss or damage to the University properties cannot be determined after reasonable investigation by the University, the prorated cost of such move, loss or damage shall be charged to all student occupants in that area responsible for such properties, regardless of whether Student was present at the time that

the move, loss or damage occurred.

**9. MOVE-OUT/VACATING THE SPACE:**

- a. Student shall vacate the Space immediately upon termination of this Agreement, or no later than midnight on the last day of the Term of this Agreement, whichever occurs first. Failure to vacate will result in Student being liable to the University for daily damages equal to the current monthly market value of the unit, divided by 30, plus any additional actual damages.
- b. Student shall return the Space in the same condition as it was received, subject to normal wear and tear as determined by the University.
- c. Student must return the keys and complete the established check-out procedures through the Housing Office. Vacating without completing the established check-out procedures shall result in Student being charged for daily damages equal to the current monthly market value of the unit, divided by 30, until such time as such procedures are completed.
- d. Student shall pay the University for costs to clean, repair, replace, or rebuild any portion of the Space, furniture and fixtures damaged by the Student, Student's guest or Student's invitee.
- e. Student may request a preliminary inspection prior to vacating. Such request must be made at least two (2) weeks prior to the last day of the term of this Agreement. Student has the right to be present during the inspection.
- f. Continuing to remain in the Space after the expiration of the Term of this Agreement, without the prior written consent of the University, is unauthorized, and Student shall be liable to the University for all of its damages.

**10. ABANDONMENT:** If the University determines the Space has been abandoned, it may dispose of any remaining property as allowed by law and University policy. Student shall be liable for any costs incurred by the University in disposing of said property, including, but not limited to, storage costs. Abandonment does not relieve Student of the obligation to pay any and all charges required by this Agreement, including the Monthly Charges. Student is responsible to pay the Monthly Charges up to the full term of this Agreement or until such time as the space is occupied by a new student pursuant to a University housing agreement, whichever comes first.

**11. CONDUCT OF STUDENT:**

- a. Student is subject to the University group living environment in which students are assigned space shared with other students. Student agrees to respect the rights of other occupants and all other members of the University community, and to behave in a manner conducive to the harmonious group living environment developed and fostered by each Housing Office. Furthermore, Student is responsible for the activities and behavior of their guests. University may terminate this Agreement if Student demonstrates an ongoing inability to abide by the requirements and expectations for such group living.
- b. Student and Student's guest(s) shall not violate any criminal or civil law, ordinance or statute in the use of and occupancy of the Space, commit waste or nuisance, annoy, molest or interfere with any other person, roommate, or neighbor. Any such action may result in the immediate termination of this Agreement as provided herein and by law. Student shall refrain from creating, or allowing to be created, any noise that is disturbing to other occupants or roommates. Student is also responsible for compliance with any applicable local noise ordinances.
- c. Student agrees to abide by all University policies, rules, and regulations, including but not limited to the [UC San Diego Student Conduct Code](#).
- d. Student may not charge, in their apartment, any micro-mobility device (such as an e-scooter) that is owned by someone other than Student in exchange for compensation received by Student.
- e. Student agrees that the University may take appropriate action, including termination of this Agreement for conduct which is found by the University to be in violation of any such rules or conduct which is otherwise detrimental to the welfare of the students, employees or the physical properties of the University.

**12. MODIFICATIONS AND REPAIRS:** Student shall not install improvements, including but not limited to appliances such as air-conditioners and dishwashers, or use molly bolts, screws or fastening device on walls, ceiling or woodwork, or alter, repaint or redecorate. Student shall not perform or arrange for non-UC San Diego staff to perform any repairs to damages, or corrections of deficiencies, whether during or upon the termination of the Term, and hereby waives any right Student may

have to make such repairs or corrections. The foregoing shall not limit Student's right to request that University repair damage, correct deficiencies, or otherwise service the Space during the term of this Agreement. Student is responsible to promptly report deficiencies and damages to the Fix It Hotline at (858) 534-2600. Notification to the University should be immediate in an emergency situation. Notwithstanding such a request, Student shall be liable for any damages or deficiencies caused by Student or Student's guest's negligence or improper usage, and will be billed accordingly.

- 13. FIRE DETECTION & SAFETY EQUIPMENT:** The apartments are supplied with smoke detection devices. The detector(s) in this apartment is in proper working order. Upon occupancy it shall be the Student's responsibility to regularly test the detector(s) to ensure that the device(s) is in operable condition. Student agrees to inform the University immediately in writing of any defect, malfunction or failure of such detector. It is a criminal offense to disconnect or otherwise impair the function of this device. Tampering with fire detection or safety equipment will be subject to disciplinary action and termination of Agreement. If building alarm is activated due to the Student's negligence or malicious act the Student will be charged a \$200 fee.
- 14. MOLD NOTIFICATION:** Mold occurs naturally in the environment and there currently exist no federal or state standards for permissible levels of molds. The Student is required to take steps to control growth of mold and mildew by keeping the Space clean and well-ventilated, particularly when showering, bathing, or washing dishes or clothes. The Student is required to notify the University promptly by contacting the Fix It Hotline at (858) 534-2600 about the existence of moisture, water leakage or overflow in or about the Space.
- 15. LEAD-BASED PAINT HAZARD NOTIFICATION:** Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Although the University knows of no such hazards Student acknowledges the receipt of these two pamphlets, entitled "Protect Your Family from Lead in Your Home" located at <https://www.epa.gov/lead/protect-your-family-exposures-lead>, and "Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools" located at <https://www.epa.gov/lead/lead-renovation-repair-and-painting-program>. NOTE: The existence of lead on the property is not, by itself, cause for termination of this Agreement.
- 16. ASBESTOS NOTIFICATION:** Housing built before 1981 may contain asbestos. Any asbestos-containing material (ACM) has been encapsulated or removed, as specified by law. The ceilings are inspected by UC San Diego Environment, Health & Safety staff during annual housing inspections. However, disturbance or damage to certain ceilings may increase the potential exposure to these substances. Student or Student's guest shall not take or permit any action which in any way damages or disturbs the ceiling or any part thereof, including but not limited to piercing the ceiling by drilling or any other method, hanging objects, attaching or replacing fixtures, or doing any repairs to any portion of the ceiling, or undertaking activity which results in building vibration that may cause damage to the ceiling. Student shall notify the University immediately in writing upon occurrence of any such damage or any other deterioration of the ceiling, including but not limited to flaking, loose, cracking, hanging or dislodged material, water leaks, or stains in the ceiling.
- 17. INFECTIOUS DISEASE**
  - a. **COVID-19 WARNING.** The University's housing accommodations are congregate living facilities, which may present a risk of exposure to the COVID-19 virus, a virus that can cause serious illness and death. To reduce your risk of infection, practice frequent hand washing, social distancing, and other measures recommended by public health officials. For more information, visit <http://www.cdc.gov> and <http://www.cdph.ca.gov>.
  - b. **WAIVER OF CLAIMS.** Student waives the right to any claim against University related to or arising from the acquisition of or exposure to any infectious disease.
  - c. **LIMITATION OF LIABILITY.** Neither University, nor any of its campuses or medical centers, nor any of its employees or agents shall be liable for any claims of loss, expense, or damage to Student relating to the acquisition of or exposure to any infectious disease.
  - d. **NO WARRANTY.** UNIVERSITY MAKES NO WARRANTY WITH RESPECT TO THE SAFETY OF THE SPACE WITH REGARD TO ANY INFECTIOUS DISEASE.
- 18. ENTRY OF THE UNIT BY THE UNIVERSITY:** Student agrees to permit the University to enter the Space for inspection, maintenance, improvement purposes, and for any reason allowed by law, and/or for health and safety reasons, including the following:
  - a. In case of emergency;

- b. To make necessary or agreed repairs, inspections, alterations or improvements, supply services required to maintain the building or to ensure compliance with health and safety regulations;
- c. When Student has abandoned or surrendered the Space; and/or
- d. To show a prospective student.

Except in cases of emergency, the University will give Student twenty-four (24) hour notice of planned entry. Student agrees to waive the 24-hour notice requirement to allow University personnel to enter Student's Apartment when Student has requested a service or inspection for the Space.

**19. CONSTRUCTION AND RENOVATION:** Major construction projects in and around the vicinity of the UC San Diego campus are scheduled throughout the year, including local governments' Light Rail Transit (LRT) construction projects, and new construction, remodeling or repair of UC San Diego academic, residential and dining facilities. Construction activities are expected to occur during normal daytime working hours, and will result in disturbances and disruptions, including, but not limited to, increased traffic, noise and dust in the areas surrounding the housing facilities, and campus in general. There will be both planned and unplanned utility shutdowns in the housing facilities. By signing this Agreement, Student agrees and acknowledges that there will be disturbances and disruptions resulting from construction, and has agreed to such.

**20. PERSONAL PROPERTY INSURANCE:** The University and its employees and agents assume no responsibility for the loss, theft, damage or destruction to Student's personal property kept in Student's assigned Space or in the housing facilities from any cause whatsoever. The University strongly encourages Student to carefully consider procuring private insurance relating to their personal property.

**21. MISSING PERSON NOTIFICATION POLICY:** Students residing in on-campus housing have the option to identify individuals to be contacted by the University in the event the student is reported missing. The confidential contact information will be accessible only to authorized campus officials, and may not be disclosed except to law enforcement personnel in furtherance of a missing person investigation. If you would like to designate a confidential contact, visit the Housing Office. Please note that if a student is under 18 years of age and not emancipated, a custodial parent or guardian will be contacted in the event the student is reported missing, in addition to any confidential contact designated by the student.

**22. BED BUG NOTICE AND INFORMATION ABOUT BED BUGS:**

- a. A Student shall not bring onto a property any personal furnishings or belongings that the Student knows or should reasonably know are infested with bed bugs, including the personal property of the Student's guests.
- b. The Student is responsible to promptly report findings or suspicion of bed bug infestation to the Fix It Hotline at (858) 534-2600.
- c. **Bed bug Appearance:** Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length, and their color can vary from red and brown to copper colored. Young bed bugs are only about 1/16 of an inch in length, and they have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.
- d. **Life Cycle and Reproduction:** An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day and bed bugs grow to full adulthood in about 21 days. Bed bugs can survive for months without feeding.
- e. **Bed bug Bites:** Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.
- f. **Common signs and symptoms of a possible bed bug infestation:**
  - i. Small red to reddish brown fecal spots on mattresses, box springs, bed frames, linens, upholstery, or walls.
  - ii. Molted bed bug skins, white, sticky eggs, or empty eggshells.
  - iii. Very heavily infested areas may have a characteristically sweet odor.
  - iv. Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.
- g. For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association at <http://www2.epa.gov/bedbugs> and <http://www.pestworld.org/all-things-bed-bugs/>.

- h. Student must cooperate with inspections and to provide requested information that is necessary to facilitate the detection and treatment of bed bugs by the pest control operator.
  - i. Student shall fulfill the responsibilities for unit preparation before any scheduled treatment, including management of personal belongings and furnishings as described in the pest control operator's treatment checklist.
  - j. Student must vacate the unit as required by the pest control operator for treatment purposes and shall not re-enter the unit until directed to do so.
- 23. NOTICE:** Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an internet website maintained by the Department of Justice at <http://www.meganslaw.ca.gov/>. Depending on an offender's criminal history, this information, for example, may include the community of residence, address, and/or zip code at which the offender resides.
- 24. WAIVER OF BREACH:** The waiver by either party of any breach shall not be construed to be a continuing waiver of any subsequent breach. The receipt of the room and board payment with the knowledge of any violation of a covenant or condition of this Agreement shall not be deemed a waiver of such breach. No waiver by either party of the provisions herein shall be deemed to have been made unless expressed in writing and signed by all parties to this Agreement.
- 25. BREACH OF AGREEMENT:** In the event that Student breaches this Agreement, the University shall be allowed to exercise and pursue any and all remedies permitted by law.
- 26. UNENFORCEABLE TERMS OR CONDITIONS:** If any provision in this Agreement is found to be illegal, void or unenforceable by a Court of competent jurisdiction, the remaining provisions shall continue in effect.
- 27. INDEMNIFICATION AND ATTORNEY'S FEES:** Student agrees to indemnify and hold the University harmless from any actions, claims, losses, damages, and expenses the University may sustain as a result of negligence of Student and/or Student's guest or invitee.
- 28. ADMINISTRATION:** The Student shall provide any notice required in this Agreement to The Regents of the University of California, HDH Housing Administration, 9500 Gilman Drive, Mail Code 0382, La Jolla, CA 92093-0382, phone number (858) 534-4010.
- 29. CERTIFICATION:** Student certifies that statements made in connection with this Agreement are true and correct and that the Student has read, understands, and agrees to comply with the terms and conditions of this Agreement. Any false statements made by Student on this Agreement or in connection with it will result in immediate cancellation or termination of this Agreement.
- 30. PETS:** With the exception of the approved animals listed below, animals are prohibited in our communities without prior written consent of the University. Dogs are not allowed except as service animals in any community. Students with an assistance or service animal should contact the Office for Students with Disabilities. Guest animals are not permitted at any time. A violation is grounds for termination of this Agreement. Coast, Mesa, and OMS: The University will approve two indoor cats, caged birds, and fish in aquariums with a 30 gallon or less capacity, per apartment. A signed pet addendum and a \$250 pet deposit will be required for up to 2 indoor cats. Mesa Nueva, Nuevo East and Nuevo West: The University will only approve fish in aquariums with a capacity of 30 gallons or less, per apartment. Cats are not allowed at Mesa Nueva, Nuevo East or Nuevo West. If you do have an approved animal, it must be kept on a leash and under the control of a responsible person.
- 31. FORCE MAJEURE:** The University shall not be deemed to be in default of or to have breached this Agreement due to any delay or failure in performance resulting from any "Force Majeure" event, such as acts of God, communicable disease (including epidemics and pandemics), acts of civil or military authorities, civil disturbances, wars, labor disputes, fire, flood, earthquake, transportation contingencies, judicial or governmental order or similar occurrences beyond the University's reasonable control. Should the University reasonably anticipate that the Force Majeure event will last more than fourteen (14) calendar days, the University may terminate this Agreement upon written notice to Student.
- 32. ENTIRE AGREEMENT:** This Agreement contains all the terms and conditions as agreed upon by the parties regarding the subject matter of the Agreement and supersedes any prior agreements, oral or written, and all other communications between the parties relating to such subject matter. Student represents that no promise, inducement, or agreement not herein discussed has been made between the parties on the subjects addressed herein.
